

Harrison Tennis Program - Banner Sponsorship Form

The Harrison High School Tennis Program's goal is to help our tennis athletes develop physically, emotionally and socially, through competition while being a part of our team environment. Your support of our Harrison Tennis Program through donations and a banner sponsorship goes toward the costs associated with court maintenance, equipment needs, tournament fees, uniforms, and travel expenses. The banner will either be Navy or Kelly-Green background with your company logo in white and will be displayed at the Harrison entrance leading to the football field, baseball field and our tennis facility. The banner will be seen by spectators throughout the year by spectators for each of the following sports: football, baseball, tennis, lacrosse, soccer and any spectators from the many youth programs that use our facilities.

Any monies that are donated are greatly appreciated and are tax deductible.
